Maharaja Agrasen Institute of Technology (MAIT) is established by Maharaja Agrasen Technical Education Society, in 1999. The society is promoted by a group of well known Industrialists, Businessmen, Professionals and Philanthropists with the aim to promote quality education in the field of technology. The promoters of the society have been involved in various activities related to basic and professional education, health care and have established a number of educational institutions consisting of Engineering College, Polytechnic, ITI and are also managing Five-Public Schools at various locations in Delhi. They have already setup Maharaja Agrasen Hospital with 300-beds having modern sophisticated machines in Delhi and running a Medical College and hospital at Agroha, Haryana.

The following objectives have been envisioned for the Institute :

- To provide for excellence in Engineering & Technical Education and Research.
- To provide for synergetic coupling of Science, Mathematics, Management and Information Technology in Engineering Education.
- To provide for unifying and interdisciplinary aspect of Engineering.
- To provide computers as : an aid to study, an object of study, a professional tool, an intellectual tool, an instrument of social change and above all their impact on the very nature and practice of engineering profession at large.
- To develop strong communication skills in the students.
- To create awareness for social, historical, ethical, cultural and human values.
- To create a culture for self and life long learning.
- To create an intellectual spirit and capability for critical judgment.
- To establish a symbiotic relationship with industries.
- To develop entrepreneurship programmes and promote student entrepreneurs.
- To develop continuing education programmes.
- To create an awareness for development with equity and environmental values.
- To utilize technology for human happiness.
- To undertake resource generation and provide consultancy services.

Dr. N. K. Garg

Prof. (Dr.) Neelam Sharma

Director

I convey my best wishes to all of you.

Maharaja Agrasen Institute of Technology was established in 1999. MAIT is affiliated to GGSIPU and is also an ISO 9001-2015 Certified Institute.

It is a known fact that technological development brings a considerable improvement in the quality of human life. In the age of globalization role of sustainable technology, development is very crucial for the progress and well being of a nation. Keeping this in mind at Maharaja Agrasen Institute of Technology Delhi, we are committed to create young, dynamic Engineers and Entrepreneurs.

MAIT also understands that the primary role of education is to equip students with the technical knowledge and confidence for the transformation of society. In addition to providing students with content knowledge, education helps instil values and attitudes that align with those expected in a society. We strongly believe in academic excellence and do not compromise in discipline and standards of teaching. MAIT has also set specific objectives and planned activities for achieving excellence in all spheres of technical and Management Education.

I also wish to add in my message a saying which we follow at MAIT :

There is No Substitute to Hard Work --- Thomas Edison
