MAHARAJA AGRASEN INSTITUTE OF TECHNOLOGY

Entrepreneurship Development Cell

Annual Report 2025–26

VISION

To focus on the holistic development of students of Maharaja Agrasen Institute of Technology and bridge the gap between studies and innovation to facilitate the entrepreneurial spirit in them.

MISSION

The Cell shall endeavor to incorporate the following basic missions in its conduct:

- To introduce start up culture in the lives of engineering students at an early stage.
- To constantly strive towards developing not just the technical skills and innovation but also the soft skills that are necessary in today's world.
- To provide right opportunities that can change lives and help in transforming the world for the better.

Entrepreneurship & Development Cell

(Maharaja Agrasen Institute of Technology)

Constituted in 2011, EDC is a non-profit organization voluntarily run by students of Maharaja Agrasen Institute of Technology, Delhi. We support upcoming Entrepreneurs by providing them necessary resources such as Mentor-ship, Consultancy and the right network. Keeping in mind the current state of economic affairs, Entrepreneurial empowerment has been readily supported by the Govt. Of India, to help budding minds carve out a niche for themselves, thereby making the economy more robust. EDC, MAIT provides students with a platform to hone their entrepreneurial skills, and illuminate young minds with 'out of the box' ideas solving real-world problems and transforming lives meanwhile.

Cohort

Introduction

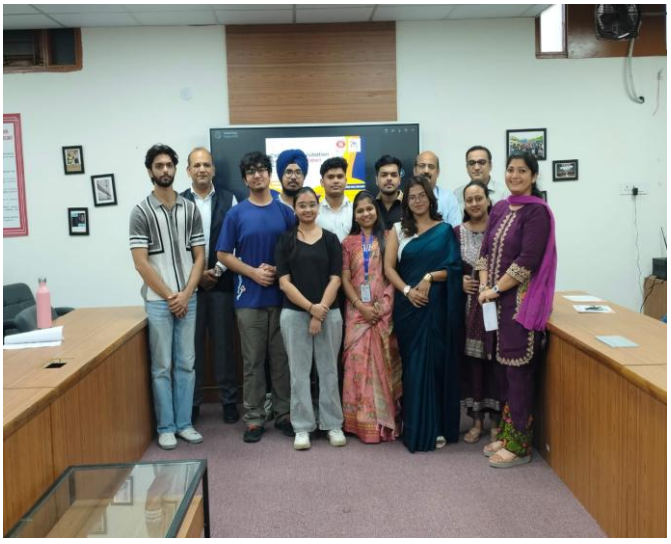

Cohort is a speaker-session initiative by the Entrepreneurship Development Cell (EDC), MAIT, that brings skilled entrepreneurs and experienced professionals to interact with students. Through their journeys, insights and practical experiences, the sessions aim to inspire aspiring entrepreneurs, broaden their understanding of the entrepreneurial ecosystem, and encourage them to turn their ideas into meaningful ventures.

- **Topic: Cohort 2025**
- **Date:** 18 September 2025
- **Time:** 10 PM onwards
- **Venue:** EDC Room, MAIT

Goals

- To expose students to the experiences and insights of skilled entrepreneurs.
- To inspire aspiring entrepreneurs to explore ideas, take initiative and learn from real-world journeys.
- To provide students with an opportunity to gain practical perspectives on entrepreneurship, challenges and growth.

E-Summit'26

Introduction

E-Summit'26 was held at Maharaja Agrasen Institute of Technology on **16 and 17 March 2026**, bringing together student societies and departments of MAIT under one platform. The two-day summit featured competitions, a hackathon, panel interactions, auctions and pitching events, and cultural performances on the main stage. EDC, MAIT hosted Brand in a Budget and the Hightable Conference, and collaborated with Communité (Department of Management, BBA) and other societies.

Outcome and Impact

E-Summit'26 gave students a platform to apply entrepreneurial, business and technical skills through hands-on competitions and to hear from industry professionals and founders. The summit encouraged collaboration between technical, management and cultural societies of the Institute.

Event Schedule

Day 1 – March 16, 2026	Day 2 – March 17, 2026
