

WHY ALUMNI ASSOCIATION

Alumni relations have become a strategic asset for any kind of higher education institution willing to stand out from the domestic and international competition. Alumni are our most loyal supporters and our best ambassadors, offering invaluable marketing and promotion across their personal and professional networks. The purpose of formation of this association is to strengthen the bond between the alma mater and the students. We all have been a part of this eminent setup, which has provided us a solid foundation to the professions we all belong to. Most of us want to 'Give-Back' to our alma-mater as a sign of gratitude towards the institution. An effective alumni network assures the alumni as a significant stakeholder by making them actively participate in the institution's developmental activities.
